# Unity World Partner Program

## Empowering the Channel - Delivering Connectivity Together

At Unity, we believe connectivity is the backbone of modern business.

Our Partner Program enables resellers, telecoms specialists, and IT providers to deliver cutting-edge broadband and telecoms solutions to their customers, while maximising revenue opportunities and strengthening client relationships.

# Why Partner with Unity for Broadband & Telecoms?

**End-to-End Connectivity Portfolio:** From leased lines, ultrafast broadband, VoIP telephony, and mobile solutions, Unity provides everything your customers need to stay connected.

**Channel-First Approach:** We work exclusively with our partners, competitive margins, exclusive discounts, and the backing of a trusted telecoms provider.

**Future-Ready Technology:** Stay ahead of the competition with solutions designed for the WLR switch-off, cloud communications, and next-generation fibre connectivity.

**Expert Support:** Get presales, provisioning, and aftercare support so you can focus on building relationships, not chasing suppliers.

## Types of Partnerships We Offer

**We understand every business has a different way of working. That's why Unity offers flexible partnership models designed to fit your needs:**

### Reseller Partner

Sell Unity services directly to your customers and earn healthy margins on every deal. Unity supply the solutions while you deal with the support and billing.

### White-Label Partner

Deliver Unity services under your own brand name while we bill your clients for you (in your branding). Perfect for MSPs and telecoms resellers who want to grow their brand.

### Referral Partner

Not ready to handle sales or support? Simply refer customers to Unity and earn commission for every successful order. Low effort, high reward.

## Key Partner Benefits

Partnering with Unity means more than just access to broadband and telecoms services, it's a complete support package designed to help your business grow.

**Competitive Wholesale Pricing:** Access preferential rates across our broadband and telecoms portfolio.

**Access to 20+ Carriers:** Expand your offerings instantly with a broad network of over 20 trusted broadband and telecoms suppliers.

**Dedicated Account Manager:** Every partner gets a dedicated account manager to act as a single point of contact, giving you priority support, sales guidance, and expert advice whenever you need it.

## What Our Partners Say

Partnering with Unity has been a game-changer for us. From the very start, they provided reliable and cost-effective connectivity solutions that have enhanced the services we offer to our customers. Their team is incredibly responsive and proactive in finding the best solutions, even under tight deadlines.

**James Sweaton, JD Networks**

Unity have consistently proven themselves to be a reliable and dedicated partner, always providing us with high-quality products that meet our needs and exceed our expectations. Their attention to detail, professionalism, and commitment to excellence is evident in every interaction we have with them.

**Andrew Read, Resilient Business Systems**
